

DX Advisory Committee Semi-Annual Report

December 31, 2005

**To the American Radio Relay League
Board of Directors**

**Submitted by
Jim O'Connell, W9WU
Chairman, DX Advisory Committee
Central Division Representative**

Introduction

This has been a quiet period for the DXAC Committee with no substantial issues or assignments.

DX and Other Issues

DXAC Committee members wish Southeastern Division DXAC Representative Bob Alphin, K4UEE, co-leader of the 2006 Peter I Island dxpedition and his team good luck as they begin their journey to Peter I island on February 6, 2006. Peter I island is one of the top 5 most wanted DX entities.

The DXAC will continue to solicit feedback from the DX community on current DX issues and pass those opinions on to the P&SC and ARRL staff. We remain ready to discuss and make recommendations on any matter or issue referred to the DXAC by the P&SC or Board of Directors.

Respectfully submitted,

Jim O'Connell, W9WU
Chairman, DX Advisory Committee
Central Division Representative
