ARRL Foundation Presents the 2026 Scholarship Recipients

The ARRL Foundation is pleased to announce the students selected to receive scholarship awards for 2026. Scholarships are made possible through the generosity of individuals, clubs, and Amateur Radio Digital Communications (ARDC). This year, 163 scholarships totaling more than $780,000 were awarded. The ARRL Foundation Board of Directors extends its best wishes to these amateur radio operators as they continue their college studies. The 2027 application period is expected to open in October 2026. For more information, please visit **www.arrl.org/scholarship-program**.
